PROFESSIONAL EXPERIENCE

SEP 2020 - present | AMSTERDAM

FAILED ARCHITECTURE FOUNDATION | CONTRIBUTOR

As a contributing writer, I have written a research paper detailing the architectural history of Lagos, Nigeria from 1860-1977. The paper is to be published in the Dutch publication *Failed Architecture* in 2021.

SEP 2019 - DEC 2019 | ROTTERDAM

THE WHY FACTORY // MVRDV | URBAN RESEARCHER

I was part of the urban research think tank under the tutelage of Winy Maas (MVRDV) and facilitated by Delft University of Technology. We created a green simulation tool to confront the climate crisis within the urban environment.

SEP 2019 - NOV 2019 | BERLIN

GOETHE INSTITUT | ARTIST IN RESIDENCE

I completed an artist residency exchange program with ZKU (Centre of Art & Urbanism) and SAVVY contemporary in Berlin. I held an urban art exhibition commissioned by the Goethe Institut at Galerie Wedding.

AUG 2018 - AUG 2019 | LAGOS

MOE+ART ARCHITECTURE | PART I ARCHITECT

I gained experience with the design and build of residential and civic architectural projects. In addition, I designed exhibition space for Yinka Shonibare CBE for the 2018 Art X Lagos art fair. I also collaborated with British painter Polly Alakija for urban regeneration projects on a number of sites on Lagos Island.

JAN 2018 - JUL 2018 | BERLIN

COBE | PART I ARCHITECT

I designed urban and architectural plans in accordance to German planning laws with a focus on spacious residential areas and mixed-use schemes using Vectorworks and Rhino 3D. Under the commission of the German Senate, I also built a database of all high-rise buildings in Berlin in order to develop future guidelines (Hochhausleitbild).

AUG 2016 - DEC 2017 | NEW YORK

A. ADEBAYO WELFARE FOUNDATION | REPRESENTATIVE

I represented AAWF at the United Nations 61st Commission on the Status of Women. The organisation focuses on economic development, climate justice and agricultural advancement in West Africa. My role involved liaising with women's rights activist, researchers and potential sponsors.

JUN 2015 - OCT 2015 | LONDON

DISCOVERY COMMUNICATIONS | INTERN

The 3 month Internship at the global mass media company involved the handling of CAD files for all the Europe offices. As part of the Real Estate and Workspace Department, I redesigned office space and meeting rooms of the Digital Media Centre in Chiswick.

JUN 2012 - AUG 2012 | LONDON

POLLARD THOMAS EDWARD ARCHITECTS | INTERN

During my work experience at PTE Architects, I developed a brief, contextual research and created design projects. My main project was a mixed-use residential project including an outdoor theatre space and communal facilities in St Albans.
